Crosscut

La colección Crosscut se inspira en el Travertino, piedra emblemática de la arquitectura clásica italiana, de tono beige claro. Su nombre, Crosscut, honra el corte transversal dado a los bloques originales de la piedra, alterando su apariencia habitual. Destaca por su textura porosa y sus cavidades naturales, otorgándole singularidad. Ofrece una amplia gama de matices e intensidades en su tonalidad. Disponible en dos tonos: Petra, su color natural, y Cloud, una variante azulada/grisácea.

The Crosscut collection is inspired by Travertine, an emblematic stone of classic Italian architecture, in a light beige tone. Its name, Crosscut, honours the transversal cut given to the original blocks of the stone, altering its usual appearance. It stands out for its porous texture and natural cavities, giving it uniqueness. It offers a wide range of nuances and intensities in its tonality. Available in two shades: Petra, its natural colour, and Cloud, a bluish/greyish variant.
